Execution of Orders outside a Trading Venue

We confirm that our orders may be executed outside a regulated market, multilateral trading facility (MTF) or organized trading facility (OTF).

Non-Publication of Limit Orders

We consent that, where we place a limit order in shares which are admitted to trading on a regular market or traded on a trading venue and that order cannot be immediately executed under prevailing market conditions, no measures need to be taken to facilitate the earliest possible execution of that order by making it public immediately in a manner which is easily accessible to other market participants, unless we expressly give other instructions when placing our order.

We consent to receiving future information via electronic communication and confirm that we have regular access to the internet. All communication via website publication requires additional email notification / express acknowledgement.
Any (i) agreement of contractual terms by us or (ii) declaration of intent by us requires our explicit declaration in this respect, i.e. no behavior of us (e.g., but without limitation, continuation of business relationship, silence etc.) other than such explicit declaration by us shall be interpreted as an agreement or declaration of intent.
